

CARTANA CONSULTING
SOLUTIONS

Considering hiring a full-time FINOP? Before you do, consider the multitude of advantages of outsourcing your FINOP and accounting needs to a specialized company like Cartana!

Cost-effectiveness: Gain access to an entire team of experts for just a fraction of the cost of one internal employee.

Financial business continuity: Eliminate concerns about employee sick days, vacations, after-hours availability for emergencies, or unexpected departures.

Free management time: Allow your leadership to focus on the more strategic and revenue generating aspects of the firm.

Tailored engagement: Whether it's a long-term partnership or a short-term solution, we adapt to your specific needs.

Flexibility: We are capable of adjusting at any moment based on your evolving service level requirements.

Extensive expertise: Evade the constraints of a single employee's skill set. With over 8 decades of combined experience, our team has encountered and managed nearly every scenario imaginable.
